

# High school promotion, career path, admission consultation

## Information of visiting our office for consultation

At the Tokyo Metropolitan Educational Counseling Center, we provide advice on advancing to a metropolitan high school, transferring schools, transferring students, and what to do after leaving school during term of learning. Our specialized consultants provide face-to-face consultations. While asking about the current situation and future hopes, we will look at distinctive metropolitan high schools, etc. I would like to inform you about that its not mandatory that only the parents can visit but also possible to have third-party consultations with your child. Please feel free to use it.

Advance reservation is required
